

## **2018-2019 Confirmation of Church Relationship for Mother Seton Scholarship**

Dear Parent/Guardian,

Your child is a recipient of Central Catholic's \$1,000 Mother Seton Scholarship, and this scholarship is eligible for renewal for the 2018-2019 school year. However, specific criteria must be met in order for this scholarship to be renewed.

**Each student that receives the Mother Seton Scholarship must commit to a continuing relationship with his or her church in order for the scholarship to be renewed. The church must verify this relationship.**

Below you will find a confirmation letter that *must* be signed by the pastor of your church and returned to Central Catholic High School, Room 105. This letter will verify that the student is following through on his or her commitment to remain involved in the church.

If you do not return this signed confirmation form to Central Catholic High School's Finance Office in Room 105 by **Friday, May 25, 2018**, your child's Mother Seton Scholarship *will not* be renewed. The student must also maintain a 2.5 GPA and a good disciplinary record with no D's or F's in conduct. Your account *will not* be credited with the scholarship amount if we do not have this signed confirmation by that date or if the student has below a 2.5 GPA or any D's or F's in conduct during the 2017-2018 school year.

Please contact the CCHS Finance Office at 419-469-8765 if you have any questions.

---
